

Welcome to Avishayes Primary School and Early Years Centre.

Avishayes enables pupils from the age of 3 to 11 to meet the challenges of an education that will prepare them for life in the 21st century. We use a wide range of styles and resources to excite, motivate and challenge our young people to succeed.

‘Aim High, Achieve Together’

We aim to give every child, whatever their background or their circumstances, the support they need to be healthy, stay safe, enjoy and achieve through learning and make a positive contribution to society.

We are passionate about offering children an exciting, stimulating and rich curriculum, based on real reasons for learning. We hope that you will share with us, the belief that every child should have the opportunity to meet their potential and develop their academic, creative, social and spiritual skills that will enable them to fulfil a happy and prosperous life.
